[on the advertised day and at the advertised time and at the advertised place listen to the advertised *Symphony no. 1* on headphones]

[if you are enjoying it perhaps periodically hum along or say “yeah, nice”]

[if you aren't enjoying it perhaps hum something else or say “damn, that's a shame”]

[when it's over put the headphones away]

[if you enjoyed it perhaps say “wow, they don't write them like that any more”]
